ITHACA CITY SCHOOL DISTRICT

Ithaca, New York

Our Story

At the Ithaca City School District in picturesque Ithaca in upstate New York, their mission is to educate every student to become a life-long learner. The team's chef is a co-owner of a local restaurant which is considered one of the "pioneer" restaurants for preparing and serving healthy, local, plant-based meals.

For its entry in the *Recipes for Healthy Kids* Competition, the team worked to create Fiesta Mexican Lasagna and conducted numerous taste tests with students. This hearty main dish features golden butternut squash, corn, and peppers roasted until sweet and the natural flavors caramelize together. This deliciously spicy spin on an Italian classic will leave your kids wanting more!

1. Use a smaller plate

Use a smaller plate at meals to help with portion control. That way you can finish your entire plate and feel satisfied without overeating.

2. Take control of your food

Eat at home more often so you know exactly what you are eating. If you eat out, check and compare the nutrition information. Choose healthier options such as baked instead of fried.

3. Satisfy your sweet tooth in a healthy way

Indulge in a naturally sweet dessert dish—fruit! Serve a fresh or a fruit parfait made with yogurt. For a hot dessert, bake apples and top with cinnamon.
